

Recommendation Letter

To Whom This May Concern,

My name is Mustafa Duran, and I am a College Professor, also instructor at Nucamp Coding Bootcamp. I am proud to offer my recommendation of Daniel Middleton to whom I have personally known for 3 months as the student's instructor at Nucamp.

During my relationship with Daniel Middleton, I have experienced an individual who shows up earlier than asked, works hard, and carries themselves in a polite, respectable manner. In addition, Daniel Middleton devout student who has always presented themselves with levelheadedness and grace.

During all my Bootcamp experience Daniel Middleton was the brightest participant. His work always far beyond expectations. His way of solving problems and offering alternative solutions was outstanding.

If you have any requests or questions do not hesitate to contact me.

Best,
